PUBLIC MEETING NOTICE

San Leandro Creek Hazardous Tree Removal

Public Workshop

for the

Huff Avenue Neighborhood

Dear San Leandro Creek Neighbor:

The Alameda County Flood Control and Water Conservation District will be holding three public workshops regarding the proposal to remove hazardous trees along San Leandro Creek. The proposal identifies three sites along the creek (see attached map).

The first meeting is focused on the area near Huff Avenue, and is intended to seek input from area residents on approaches to address tree hazards on District properties in San Leandro Creek.

Two additional meetings will be held in the upcoming weeks for areas near the Cary Drive, and St. Mary Avenue neighborhood locations.

Thursday, June 22, 2010
7:00 PM – 9:00 PM
Bancroft Middle-School
1150 Bancroft Avenue
San Leandro, CA

If you have any questions or would like additional information, please contact Jim Browne at jimb@acpwa.org or by telephone at 510/670-5796.
