Current Employment Information

Responsibilities

I work on staff at the State of California Regional Water Quality Control Board performing a broad range of activities related to protecting beneficial uses of water resources, including coordination of surface water programs with other regulatory and public agencies, and with the public in general. Currently, my duties include grant management work overseeing technical and administrative aspects of a variety of grants to public agencies and non-profits for projects enhancing water quality in the San Francisco Bay Region. I am the Regional Board's representative to State-wide programs such as Critical Coastal Areas and Agricultural Waiver of Waste Discharge Requirements for irrigated agricultural lands. I also coordinate the upcoming grazing lands permit for watersheds under Total Maximum Daily Load allocations, and perform some work related to confined animal and horse boarding facilities programs.

I have worked in the Industrial and Construction Stormwater Permit programs, and the Phase II Municipal Stormwater Permit process. I have developed and made presentations to the Board concerning Waste Discharge Requirements for the Devil's Slide Tunnel Project, and enforcement actions.

Questionnaire

Please describe your education, training, and/or any special certifications:

I have a Bachelor of Arts degree in Environmental Studies, Land Use Planning and Management, and a Master of Science degree in Water Resources Planning and Management; both from Cal State University Hayward, now Cal State University East Bay.

My academic training is in Environmental Science, Environmental Law, Environmental Chemistry, Public administration, Geology, and Biology; including courses in Environmental Planning, Public Policy Formulation and Implementation, Environmental Impact Analysis, Environmental Politics and Policy, Administration of the Metropolitan Region, California Politics and Policy, Environmental Law, Environmental Resource Economics, Energy Resources and Management, Organizational Theory, and other courses that are relevant to this appointment.

Through my employment, I have attended various University Extension Courses at both U.C. Davis and U.C. Berkeley, completing courses in Environmental Negotiation and Facilitation, The Stakeholder Process, CEQA Compliance for Regulators, Waste Water Laws and Regulations, Clean Water Act 404/California Water Code, Mitigation Measure Development and Monitoring, Successful Stormwater Management, among others.

Please explain why you want to be appointed to the City Council:

I would like to take the next step by applying the skills and knowledge I've acquired to the interest of the public and the City, by helping to maintain and improve the quality of life of the entire San Leandro community. I have found both personal and public success

and satisfaction in contributions made on the Oakland Airport Expansion Master Plan Stakeholder Process and the Human Services Commission, and I believe I can continue to provide that satisfaction and success on a larger scale as the representative of District 6 to the City Council.

Please list any previous City of San Leandro Board, Commission or Committee on which you have served as well as any community organizations to which you belong or have belonged:

I served as a City of San Leandro Representative to the Oakland Airport Expansion Master Plan Stakeholder Process between 2004 and 2006.

I currently serve as a commissioner on the City of San Leandro Human Services Commission.

I am a member of the San Leandro Tennis Club.

I participate in the San Pedro Creek Stewardship Program with the San Pedro Creek Watershed Coalition in the City of Pacifica.

Please provide any additional information you wish which covers your qualifications, interests or training related to this appointment:

In addition to the academic training and work experience presented above, I am a dedicated citizen ready and willing to represent my community to the City Council.
