Please explain why you want to be appointed to the City Council:

Our City Hall is operating in the worst State budget crisis ever. Sacramento is raiding the budget ever. Sacramento is raiding the budget we count on for essential city services like police, fire, libraries, and services for senior citizens. I have learned a great deal as a San Leandro Senior Commissioner. I want to take my volunteer service to the next level and fight for the services our residents need during these recessionary times. Serving as a city council member will provide that opportunity. My promise to the City and its residents is to be a voice for open, transparent, responsive and accountable local government.

Please list any previous City of San Leandro Board, Commission, or Committee on which you have served:

San Leandro Senior Commission (Appointed 2010)

Please list any community organizations to which you belong or have belonged:

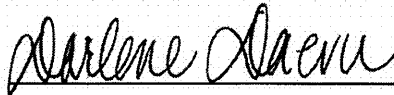

SF Civic Symphony, The Ohlone College Orchestra, SF DPH Co-ed Softball Team, Allen Temple Baptist Church, Delta Sigma Theta Sorority, Inc., Washington Manor Homeowners Association, Private Fiduciary of California.

Please provide any additional information you wish which covers your qualifications, interests, or training related to this appointment:

I am ready for the challenge of serving as a councilmember even in this time of turmoil for families, seniors, and local government. I bring important relevant skills. As a 15-year public employee I know how local government works - and should work. As a volunteer San Leandro Senior Commissioner I've learned and responded to concerns San Leandro residents have. I am a good listener - I believe government works best when public officials listen. I am analytical and practical while also keeping a fresh, positive perspective. I am committed to maintaining the services San Leandro needs to protect our quality of life. I would be honored to serve.

I have sufficient time to devote to this responsibility and will attend the required meeting(s) if I am appointed. I am also aware that this application is a public document. If appointed, I will file the necessary disclosure documents as required under the Political Reform Act.
