Re: Jean M. Morris - Application for Appointment to Fill Vacancy
San Leandro City Council, District 6

To Whom It May Concern:

Please consider this document as an attachment to the original Application Form.

Current Employment Information:

Employer: Education Finance Partners, Inc.
111 Maiden Lane, 4th Floor, San Francisco CA 94108
Position: Executive Assistant to Chief Executive Officer; Chief Financial Officer
and General Counsel
Dates of Employment: March 2006 to Present

Responsibilities: Provide executive level support to three C-level executives in a private student loan corporation.

Education, training and/or special certifications:

My education level is high school with additional community college courses as needed to further my career goals. I have been trained as a trainer for Girl Scouts of the San Francisco Bay Area.

Why I want to be appointed to the City Council:

I am invested in this City. I have been a resident homeowner in San Leandro for over 23 years. My husband's grandparents were original homeowners in Mulford Gardens. We have been contributors to the community as taxpayers both as residents and business owners. All seven of our children attended and graduated from San Leandro public schools. I have seen many changes occur in our little community; some good and some not so good. I want to be a part of the decisions that affect our community. I feel that I have the experience, knowledge, dedication and heart to be a good representative of the people in District 6. I am open minded, sincere and willing to intellectually and critically review and consider issues that affect all citizens of this community.

City of San Leandro Board, Commission or Committee....:

While my children attended the San Leandro Schools, I served on the School Site Committee at Garfield school in addition to volunteering in various other capacities. I was their champion and advocate. Having a learning disabled son, I was faced with many unusual challenges that put me on the front lines advocating for him against the standards of the system. I am not afraid to speak up and speak out. But I am willing to listen as well.

Together with a friend, I was instrumental in the publishing of the first "Year Book" for Garfield Elementary School; and continued this project for 3 years. This effort involved excellent communication skills, planning, coordination, budgeting, creativity, patience and commitment.

I have been a volunteer for the Girl Scouts of America for over 25 years, as a troop leader; registrar; Association Chairperson; Day Camp Administrator and most recently served 5 years as Chair the San Francisco Bay Area Girl Scout Council Discoveree Committee, which orchestrates and implements an annual adult training event for 900+ participants. This position required budgeting, time management, diplomacy, decision making, computer skills, and a sense of humor. I find the experience of working with non-profits as a volunteer to be very challenging and rewarding.

Currently, I am a member in good standing of the Mulford Gardens Improvement Association Board of Directors.

Additional Information:

I enjoy gardening, travel, sewing, bicycling and spending time with my family. I make every effort to shop locally and support our community and keep abreast of community issues and events.

My professional, volunteer, board member and parenting experiences have prepared me well to represent District 6, on the San Leandro City Council. As a representative, I feel I can make a positive contribution to my community and the City of San Leandro as a whole.

All best regards,

Jean M. Morris
