1. I have been an active member of the San Leandro community for the past 20 years. Having been a San Leandro Firefighter & Alameda County Firefighter for the past 30 years, my life's work has been dedicated to serving our community. The following list of accomplishments demonstrates my commitment and loyalty to the City of San Leandro:

| * Davis Street Resource Center Board Member | 1 year |
| * Firefighters Toy Program | 15 Years |

| * Holiday Bicycle Program | 8 Years |
| * Alameda County FF Random Acts | 1 Year |

 - Gateway Apartments youth playground project
 - Recipient of numerous public service awards

2. My past participation with the City of San Leandro community places me in the optimal place to transition my level of community service to a City Council position after spending 10 years as a Parks & Recreation Commissioner. My off-duty time has included countless hours in Marina Park providing surveillance and permit enforcement, and promoting community relations. As a part of the community there are issues that I believe have been stalled for years and I am confident that as a member of the City Council, I'll have direct input on getting these issues addressed. I want to be a member of the San Leandro City Council because my passion for serving the community will engage and empower more San Leandrans to get involved in the City.

3. The following list is a culmination of the City of San Leandro Boards, Commissions and Committees that I have served on throughout my life. Also included are community organizations and advisory boards that have played an integral role in the livability of the San Leandro community.

4. As I stated in one of my previous answers, serving the community has been my life's work. I believe that as a member of the San Leandro City Council, I can help create a culture of service throughout the community. I wholeheartedly believe that community service is not limited to just your neighborhood or your community, it includes the city that you live in. Just imagine what type of city we would have if everyone adopted this philosophy. If everyone gave at least one day of service to their city, it would create a pride of ownership where we would inherently hold ourselves to a higher standard. As a diverse member of the community, my participation will encourage others. Thank you for your consideration.
